Medical Acupuncture Services Information

Dr. Hirsch is willing to file the insurance claim, however, the responsibility for knowing if acupuncture is covered by the patient's insurance company, and how many visits are allocated, is solely the patient's.

The patient agrees to pay any fees not covered by the insurance company in accordance with their insurance contract and the Hirsch Holistic Family Medicine Practice Policies to which they have henceforth placed their signature.

Invoices for treatments will be provided if requested to facilitate patient's submission of their own claims to their insurance company.

Discounts are given for cash at time of service payments.

All patients should verify their insurance benefit for acupuncture **prior** to scheduling an appointment.

ALL PAYMENTS ARE DUE AT TIME OF SERVICE.
